fulvio.lavecchia@poliba.it

OUTGOING Students: Prof. Marco TORRESI
marco.torresi@poliba.it

Italian grading System

In the Italian university system, each course unit is graded on a scale from 18 to 30 points, (minimum 18 – maximum 30). To pass a course unit, a student must receive a grade of at least 18 points out of 30. “30 e lode” is a special mention for outstanding performance.

As a rule non-passing grades are simply not awarded, and the exam is not registered in the student's career.
For the final degree, a 111-point scale is used. Passing grades are 66 to 110, with the additional superior grade “110 e lode” (110 cum laude). The mark for the final degree is given on the basis of all marks obtained in exams, and on the evaluation of the final thesis.

.

European Health Insurance Card, compulsory for all EU students.
A private insurance coverage is highly recommended.

Safety and Health

Immigration Requirements

EU students (except Turkish): identity card or Passport.
Non European and Turkish students must arrive with a student visa, whose application can be made at the Italian Diplomatic and Consular Authorities in your country of residence. In order to find out whether you need an entry visa or not you can simply use the database of the Italian Ministry of Foreign Affairs. You will be asked to enter their nationality, country of residence, length and reason of the stay.
