Part of the research activity must be carried out by beneficiaries of this grants at the premises of the body / company in line with a research programme agreed upon by the parties.

Art. 3: Admission requirements

Admission applications, with no age limit or nationality restrictions, may be submitted by all candidates who:

- **hold qualifications as required** on the deadline date of this application call;
- **obtain the required qualifications for selection** before the deadline date of 31 January 2025;

Applicants should note that qualifications required for admission to PhD programmes are as follows:

- 5-year degree awarded by an Italian university prior to Ministerial Decree 509 (1999);
- Master's Degree (as per Ministerial Decree 509/99);
- Second-level Degree (as per Ministerial Decree 270/04);
- Second-level degree awarded abroad (as per the Bologna Process) which enables the holder to enrol on a PhD programme in their country of origin. These qualifications must be awarded by an officially recognized academic institute.

N.B.: Specific requirements

PhD PROGRAMME	SECOND LEVEL DEGREE REQUIRED FOR ADMISSION
DRSATE	All types

Candidates whose degree has **already been recognized as equivalent** by an Italian university must attach self-certification indicating all relevant details of this to their application.

Where a qualification awarded by a foreign university has **not yet been declared equivalent** to an Italian university degree, the Selection Committee will decide upon the eligibility of the foreign qualification in line with current Italian regulations and those of the country of origin, as well as any international treaties or agreements on qualification recognition for further study. In order to facilitate the recognition process, candidates must attach all documents pertinent to eligibility evaluation to their online applications. The compilation of online applications entails an implicit request for the verification of all qualifications awarded abroad.

The evaluation of qualification eligibility is only possible if the documentation provided clearly shows all the required information, including specific details (degree type; typical length of degree course; official title of academic institute awarding the degree; date qualification obtained; mark or grade achieved in relation to the scale used in the higher education system in question).

Candidates are accepted provisionally until the validation of all admission requirements. Politecnico di Bari may ascertain the fulfilment of these requirements at any time, also after programmes have commenced, as per art. 43 of Consolidation Act 445/2000. Candidates may be excluded at any time by substantiated decision.

Art. 4: Applications

Applications to the abovementioned Ph.D. programmes can be made **from 17:00 on 06th December 2024 until 12:00 (Italian time) on 07th January 2025 (final deadline date)** exclusively using the procedures set out on the **PICA webpage** at the following link <https://pica.cineca.it/poliba/dottorato40dr23/>.

The webpage can be accessed by registering or using SPID credentials, as outlined under the guidelines ([link to guidelines](#)). **In case of technical problems before or during application procedures, candidates may contact the PICA Helpdesk at the link on the application form (from Monday to Friday, 9:00-17:00. Holidays excluded.)**.

Application instructions may be found in article 5 below.

Applications which are presented in different formats will not be considered.

Candidates are responsible for correct adherence to online procedures.

It is recommended that candidates apply to the selection procedure well in advance of the final deadline date. Once completed applications have been received they will be officially registered and confirmed by e-mail.

In order to send applications, **candidates must:**

- Complete their applications on PICA, attaching **all documentation (in pdf/A format)** as required under article 5;
- **pay an administration fee of €30**. Candidates may make fee payment by clicking on “*Paga con Pago PA*” (see manual), selecting their preferred method of payment:
 - Credit/debit card;
 - Direct bank account payment;
 - Other methods of payment and payment systems which allow for PagoPA procedures.

Only for candidates resident abroad: if it is not possible for candidates to pay using the PagoPA system, payment will also be accepted by bank transfer payable to: Politecnico di Bari - via G. Amendola, 126/B - 70126 Bari. The bank details are: IBAN: IT59X0306904067100000300001 BIC: BCITITMM - description: “*Iscrizione concorso Dottorato in Rischio e Sviluppo Ambientale, Territoriale ed Edilizio*”. Only candidates making payment in this way **are required, before deadline date, to attach a copy of the bank transfer payment and a declaration of failed administration fee payment** (“*Dichiarazione di impossibilità al pagamento del contributo di partecipazione alla procedura concorsuale mediante PagoPA*”), to be compiled using the form available on the Politecnico website (<https://www.poliba.it/it/dottorati-di-ricerca>).

Under no circumstances will refunds be issued (i.e. exclusion, withdrawal, absence, etc.). The sole fee payment of €30 does not in itself constitute an application in the absence of an online application form, even if payment is made before the deadline.

As part of their online application, candidates with disabilities (as per Laws 104 (5 Feb 1992) and 17 (28 Jan 1999) or specific learning disabilities (SLD / ASD as per Law 170 (8 Oct 2010) must attach National Health Service certification attesting to the diagnosis of said conditions and clearly state requests for any additional assistance and/or added time needed to complete the entrance examination.

Applicants may modify, delete or add data and attachments, provided this is before the deadline date. After confirmation of receipt (and before deadline date), candidates may withdraw their application and make a new one.

After deadline date and/or after transmission of the application by PICA, no further additions or modifications can be made.

Verification of application validity, including correct completion of and compliance with self-certification requirements, will be carried out by the offices in charge after the deadline date.

Art. 5: Documents to attach to applications

Candidates must upload the following mandatory documentation to their online application, as per article 4. **Failure to do so will result in exclusion from the selection procedure:**

- **A CV** following the layout in the example provided by Politecnico di Bari at <https://www.poliba.it/it/dottorati-di-ricerca>.
- **A copy of a current, valid identification document.** Only the following documents will be considered eligible:
 - ID card (only if issued by an EU member state);
 - driving licence (only if issued by an EU member state);
 - in all other cases, a current passport (also non-EU citizens).
- **A degree qualification certification for first (Bachelor's) degrees and second (specialization/Master's) degrees (or 5-year Single Cycle degrees).** Candidates with qualifications awarded in Italy must attach the Politecnico form available at <https://www.poliba.it/it/dottorati-di-ricerca>, specifying:
 - final degree mark;
 - a list of all exams taken with their relative marks in both degree courses (or the Single Cycle course);
 - results of exams taken.**Candidates with a degree qualification awarded by a non-Italian university** must attach the following documents¹ to their application, as issued by the awarding body. This supersedes any form of self-declaration:
 - degree certificate or diploma showing final mark;
 - official transcript of exams taken during all university study programmes, showing all results;
 - any other type of document which demonstrates the equivalence of qualifications with those required in this application call (Supplementary Diploma, "Dichiarazione di Valore" (statement of value) issued locally.

¹**N.B.** These documents must be in Italian, French or English or translated into Italian or English and verified by an official Italian diplomatic or consular representative under the responsibility of the candidate. These should follow the guidelines set out in the document "PROCEDURES FOR ENTRY, RESIDENCY AND ENROLMENT OF INTERNATIONAL STUDENTS AND THE RESPECTIVE RECOGNITION OF QUALIFICATIONS, FOR HIGHER EDUCATION COURSES IN ITALY FOR THE ACADEMIC YEAR 2024/25" available at the Ministry link <https://www.studiare-in-italia.it/studentistranieri/>

- **A PhD research proposal** which the candidate intends to develop during the programme, stating the scientific basis of the proposal, its research objectives and the methods to be used. **The proposal should be generally based on the topics outlined in article 2** and is assessed purely for the purposes of admission; the topics are not necessarily those which the candidate will follow during the programme, which will be agreed upon between the doctorate student and Supervisor and formally assigned by the Board.
N.B: Research proposals must use the format attached to this call document ("*Allegato Format*").

It is also possible to attach the following **optional documentation** to the application for evaluation purposes:

- **An abstract of the thesis topic for Specialist/Master's degree (or five-year Single Cycle degree)**, stating the title and name of thesis supervisor(s) (max 3,000 characters). **N.B:** this documentation, while not obligatory, allows for further evaluation of the candidate's academic background; therefore its non-inclusion does not affect the formal process of application but may result in a lower evaluation for qualifications held.
- **Candidate thesis for Specialist/Master's degree (or five-year Single Cycle degree)**
For **graduating students** whose thesis is not yet complete (see art.3), a draft version of the thesis which has been completed up to the time of application, including details of title and Supervisor. "Draft version" implies a version of the thesis text as completed by the graduating candidate up to the date of application, which, in terms of chapters and pages, allows the Selection Committee to evaluate its relative content and subject area. The abstract is not considered as a draft version of the thesis under any circumstances.
N.B: this documentation, while not obligatory, allows for further evaluation of the candidate's academic background; therefore its non-inclusion does not affect the formal process of application but may result in a lower evaluation for qualifications held.
Graduating applicants should enclose a draft version of their thesis up to where it has been completed by the date of application submission, including the provisional title and name of thesis supervisor.
- **A self-certification declaration for any other qualifications held which are** deemed suitable for evaluation. This must be signed and dated (following the layout of the example provided at <https://www.poliba.it/it/dottorati-di-ricerca>), as per arts. 46 and 47 of Presidential Decree n. 445/2000.
- **Language certificates** demonstrating a knowledge of English which corresponds to at least B2 level. Only those candidates who are non-Italian citizens may attach certification which demonstrates knowledge of the Italian language.
- **Publications** related to activity carried out and shown on the candidate's CV. These must be in either Italian or English or translated into Italian or English on behalf of and under the responsibility of the candidate. Publications can be uploaded via the Research section of MIUR Login system or through direct attachment (maximum size of each file: 30 MB).
- **A reference letter.** After submitting their application, candidates will see an option for "**Lettere di referenza**", which can be used to request the compilation of a maximum of two reference letters. In order to complete this request, the institutional e-mail details of the referee must be inserted. If the referee agrees to issue a letter and conclude the procedure, the PICA system will notify the candidate. Subsequent to this phase, applications may no longer be modified, only withdrawn (using the withdrawal option on the system) with the option of making a new application. The candidate may, at any time, access the system to

verify current application status. **N.B:** referees must complete their reference letters by the deadline time and date of this call (12:00 Italian time, 07th January 2024).

In accordance with Presidential Decree 445 (28 Dec 2000) and subsequent modifications and additions, all status, acts and qualifications attested by **Italian Public Administration bodies** may be provided using only a self-declaration certificate.

Art. 6: Grounds for exclusion

The following are grounds for exclusion from the PhD programme selection procedure:

- a. applications which do not comply with the format set out under article 4 of this call document;
- b. applications missing documents which are obligatory for the selection procedure as set out in art. 5 for each individual PhD programme;
- c. false or mendacious self-declaration statements relative to status / acts / qualifications;
- d. missing application fee payment by the deadline date of this call (art. 4).

Any candidates excluded from the selection procedure will be notified by Post-Lauream Office by email at the address provided to the PICA system. As such, candidates are reminded to ensure the e-mail address provided is correct and current. Other e-mail addresses will not be taken into consideration.

Art. 7: Entrance examination procedure

Admission to the PhD programme is subject to an entrance examination designed to ascertain candidate preparation on general programme topics and their research aptitude and is aimed toward ensuring an accurate comparative evaluation of candidates.

The Selection Board will publish a list of candidates eligible for the oral examination in line with the criteria outlined in article 8. Prior to the examination, candidates will be notified of marks received in the evaluation phase via the Politecnico website.

Upon completion of oral examinations, the Selection Board will publish a list of candidates with their relative marks which will be posted on the Politecnico website in the "*Dottorati di Ricerca*" section.

Selection evaluation and oral examinations will commence on January 9th and conclude by January 21st, 2025.

Interviews will be held **online**, details of which will be provided prior to the examination date via public notification on the Politecnico website in the "*Dottorati di Ricerca*" section (www.poliba.it). Candidates will be excluded from the selection procedure if they are unable to provide identification or do not attend the oral interview.

All candidates must demonstrate a good knowledge of English. This can be certified with a recognised language qualification from an accredited examination board showing B2-level knowledge of the language, in line with the Common European Framework for the Knowledge of Languages. In the absence of certification, the candidate's English language level will be assessed during the oral examination.

Interviews may be held in Italian or in English.

Changes relating to the aforementioned dates or times **will be published on the Politecnico website** as an official notification.

No other form of notification regarding oral examinations will be sent to candidates.

Art. 8: Assessment of qualifications and interview

The Selection Board will assess candidates' qualifications and examinations with a **mark of up to a maximum of 100**. The marking system is outlined below.

PhD Programme	1. EVALUATION OF QUALIFICATIONS	2. ORAL EXAMINATION	MINIMUM PASS MARK
Risk, Environmental, Territorial and Building and Development (DSRATE)	Min. 10; Max. 40	Min. 15; Max. 60	25

Admission to the subsequent phase of the selection procedure is subject to the attainment of the minimum pass mark of each phase shown for PhD programme.

Upon completion of the examination procedures, the Board will carry out an overall assessment and draw up an admission rankings list on the basis of the marks obtained by candidates in each part of the examination. **The assessment criteria for qualifications will be established by the Selection Board.**

Art 9. Selection Board and grant allocation

The Rector will appoint a Selection Board with a Rector's decree in line with art. 15 of Politecnico di Bari's Doctorate Research Programme (available on the Politecnico website).

The members of the Board will provide self-certification in line with art. 46 of Presidential Decree 445/2000, stating that:

- they will report any potential conflict of interest and/or reason for abstention and/or incompatibility with relation to their role;
- they have at no time had a criminal record for offences which bar them from public office duties, offences which affect professional morality or offences as set out in Legislative Decree no. 231/2001;
- they are unaware of any current legal proceedings against them;
- they will act with impartiality and carry out their duties with confidentiality, due care and attention and respect for current legislation as well as the founding principles of the Ethical and Behavioural Code of Politecnico di Bari.

The Selection Board will issue draw up an examination report indicating, if required, the absence of suitable applications for one or more of the research topic(s).

A final ranking list for the doctorate programme is then compiled, based on results obtained.

Grants are allocated at the sole discretion of the Board of Professors (Collegio dei Docenti), in consideration of the specific research topics and fundings.

Art. 10: Admission ranking and course eligibility

The Rector will issue a decree confirming his approval of the acts ("*Decreto di Approvazione Atti*") and publish the names of successful candidates by confirming the ranking list and allocation of grant funding ("*Decreto*")

Assegnazione Borse”).

Successful candidates are admitted to course in the order of admission ranking until all available positions have been assigned.

In cases where candidates have an identical result, gender balance will be considered, with preference given to the minority gender with higher ranked positions in the same list. If candidates are still at the same level, the younger of the candidates will be selected.

The general admission ranking list for successful candidates will be published online as an official notification on the *Albo Ufficiale* page of the Politecnico di Bari website www.poliba.it, as well as in the Doctorate Research Programme section.

Art. 11: Enrolment

ENROLMENTS

Candidates admitted to the PhD programme must enrol online following public notification of the procedures and conditions to follow. These are published online as an official notification on the *Albo Ufficiale* page of the Politecnico di Bari website www.poliba.it, as well as in the Doctorate Research Programme section. This notification will be an attachment of the Rector's "*Approvazione Atti*" Decree.

Candidates who fail to enrol as set out in the abovementioned notification will be considered as having waived their status as a successful candidate. This waiver will affect any subsequent entries on the admission ranking list and rulings which may arise as a result.

SUBSEQUENT ENTRIES AND RULINGS

The notification attachment to the Rector's Decree "*Approvazione Atti*" will outline the terms and procedures for subsequent entries and rulings.

Please note that candidates will be given a deadline to implement these procedures, after which failure to reply or comply with the terms will be considered as withdrawal from the rankings list.

Withdrawal from the PhD programme after enrolment procedures have been completed will entail a compulsory stamp duty payment of €16.

Art. 12: Obligations and rights of doctorate research students

Participation in the PhD programme is a full-time commitment subject to a specific discipline, in accordance with art. 10 of the Doctorate Research Programme Regulations issued as part of Politecnico di Bari Rector's Decree no. 288 (11 Mar 2022).

Doctorate Research students are hereby notified of their obligation to respect:

- the rules and conditions set out in the Doctorate Research Programme Regulations, issued as part of Rector's Decree no. 288 (11 Mar 2022);
- the Politecnico di Bari's Ethical and Behavioural Code, issued as part of Rector's Decree no. 582 (28 Sept 2018);

- all applicable rules and Politecnico di Bari regulations, including those pertaining to student fees as stipulated by the Politecnico di Bari;
- the Quality Assurance systems for PhD programmes.

Specifically, as per art. 13 of the Politecnico di Bari PhD course regulations (Rectoral Decree 288/2022), doctorate students may be excluded in cases of:

- a) negative Board of Professors (Collegio dei Docenti) evaluation of activities carried out by the PhD student at any time of the doctoral programme;
- b) prolonged and unjustified absence from courses;
- c) failure to pass mid-term evaluation;
- d) failure to pass year-end evaluation.

Art. 13: Grant funding

Grants are paid in monthly instalments which are gross and subject to social security contributions paid by the beneficiary. The full amount is outlined under article 2.

Grants are annual and are renewable on the provision that the student has completed the programme of activities for the previous study year and has been admitted to the following year by Board of Professors deliberation.

As part of the financial resources of the Politecnico budget, **all** participating doctorate research students are guaranteed:

- a **research budget**, which is a fund for research activity (in Italy or abroad) of 10% of the total grant amount. Reference guidelines on the use of research budget resources is available at the following link: <http://www.poliba.it/it/dottorati-di-ricerca>
- **an increase for period spent abroad** of 50% of the monthly grant amount, allocated monthly if authorization has been given by the programme Coordinator to carry out research activity abroad. This increase may be extended to a maximum of 12 months or 18 months for those PhD students in joint co-ordination with external bodies or those established according to the Politecnico di Bari Regulations for Doctorate Research Programmes.

N.B.

Participants should note that the **annual personal income limit** established by Politecnico di Bari as **compatible with grant allocation** is equal to **the gross amount of grant** as set out in article 2 for each PhD programme. This includes property income as well as any other source of recurring income, with the exception of income for occasional work. Should this limit be surpassed, the candidate will be obliged to refund any instalments already paid for the fiscal year in which the amount was exceeded.

Please note that as regards grants due to PhD candidates from other countries of origin following the selection procedures, in compliance with EU directives the time of allocation may be subject to the issue of a residence permit.

Art. 14: Fees and contributions

Upon enrolment on the programme, PhD students are subject to the current Student Fees and Contributions Regulations. These are available for consultation on the Politecnico website.

All PhD students are exempt from the all-inclusive contribution and are required to pay only the electronic revenue stamp fee and the ADISU Right to Higher Education fee, as well as adhering to the conditions set out in the Politecnico di Bari Fee Regulations.

The enrolment fee is €146, including a stamp duty fee of €16 and the first instalment of Regional Tax (€130). ADISU fees are divided into three bands according to income, which are respectively €143, €167 and €190. Accordingly, based on the aforementioned ISEE figure, contributions will be invoiced in the private area of each PhD student.

All payments must be made using the PagoPA electronic payment system. Payments made this way will be automatically recognised by the Esse3 system.

In order to determine the total amount of Regional ADISU fees payable, Politecnico di Bari automatically acquires Equivalent Financial Situation Index certification (ISEE) from the National Social Insurance Agency (INPS) regarding subsidised benefits for higher education study. All declarations should be completed in full on the INPS website by 31 December of the calendar year of enrolment (e.g. for Academic Year 2024/25 the deadline date is 31 Dec 2024). Failure to provide declarations by the deadline date will result in the application of the full fee rate.

Therefore, it is strongly recommended that candidates apply **for ISEE certification as soon as possible to be able to qualify for these benefits.**

Up-to-date Doctorate Research student financial contributions are a compulsory condition required in order to access Politecnico services and maintain PhD student status.

Art. 15: Processing of personal data

As per current legislation, the private nature of information provided by candidates will be guaranteed. All data provided will be used only for purposes connected with selection procedures. For successful candidates, this data will also be used for purposes related to the PhD programme. For students completing the programme, data supplied will be used for purposes of employment opportunities. All data treatment is in compliance with current regulations as per European General Data Protection Regulations EU2016/679.

Under arts.15-18 of the abovementioned Regulations, candidates have the right to access their personal data as well as request modifications, additions and cancellations. Candidates may also request limits for their data treatment by contacting the Politecnico di Bari at rpd@poliba.it.

In all cases, by participating in the selection process applicants give their implied consent for the publication of their data, including examination results, on the Politecnico di Bari website, as per the abovementioned Law.

In accordance with Law 241 (7 Aug 1990) and Presidential Decree 184 (12 Apr 2006) and subsequent modifications and additions, any party with a related legal interest may have access to the selection procedure documentation, in line with guidelines set out under current legal rules. Accordingly, any documentation provided by applicants may be made available for consultation by other candidates.

Art. 16: Procedural supervisor

The Procedural Supervisor for all selection proceedings is Simona Del Vecchio, Politecnico di Bari Research, International Relations and Postgraduate Office, whose contact details are as follows; post-lauream@poliba.it, telephone (+39) 080 596 2229 / 2201 / 2525 / 2068.

Art. 17: Regulations

For all conditions not specified in this Call document, please refer to current regulations as well as those outlined in the Politecnico di Bari's Regulations for Doctorate Research Programmes, issued as part of Rector's Decree no. 288 (11 Mar 2022).

This application call is published on the website of the Italian Ministry of Universities and Research and that of Euraxess, as well as the *Albo Ufficiale* page of the Politecnico di Bari's website (www.poliba.it) and the *Dottorati di ricerca* section of the same website.

Bari, 06th December 2024

Prof. Francesco CUPERTINO

Rector of Politecnico di Bari
